Notes about this kart:

Top of the line Margay Wildcat paired with the fair and sealed Honda GXH50 make for a great starter kart for any 5-8 year old to grow with. The GXH50 is the engine of the future and the Wildcat has all the adjustability you'll need to get you there. Put gas in and go!

Yes, I am interested in this kart and would like to have my nearest Margay dealer or a factory representative contact me.
